A Halloween Scare

For Immediate Release

October 31, 2006

It's Halloween and the streets will soon be filled with tiny ghosts and goblins scurrying from house to house in search of sugary sustenance. In the spirit of the occasion, Canada's New Government offers Canadians a truly bone-chilling scenario:

A Canada once again ruled by the Liberal party!

Based upon the positions taken by Liberal MPs and Senators, it's easy to conclude that a Liberal government would:

- Increase the GST;
- Scrap the new government's tax breaks for apprentices, small business owners, students, seniors, and public transit users;
- Claw back the \$1,200 per child Universal Child Care Benefit;
- Allow burglars, arsonists and car thieves to serve their sentences under house arrest in their living rooms instead of in jail; and
- Gut the Federal Accountability Act and return to the old rules that allowed the Liberal Sponsorship Scandal to fester.

Tax hikes.

More struggling families.

Criminals serving time in your neighbourhood.

And Liberal politicians spending your money.

Now that's scary!
