UPGRADES TO WATER SYSTEMS**

**Borden, Saskatchewan, September 25, 2009** – Maurice Vellacott, MP for Saskatoon-Wanuskewin, and Randy Weekes, MLA for Biggar, will announce tomorrow that the governments of Canada and Saskatchewan have each set aside \$546,666.00 to support upgrades to water supply, treatment, and distribution systems in Borden, Saskatchewan.

Our Government is making smart investments that will inject additional capital into our economy and keep people working during these tough economic times while improving Saskatchewan's infrastructure, said **Vellacott**.

This infrastructure will contribute to our quality of life, as well as help to boost our regional economy now and for years to come. —Through investing in construction and upgrades to our water systems, our government is promoting strong, healthy communities, said Biggar MLA Randy Weekes.

Improvements in vital infrastructure projects across the province will enable our province to sustain its economic momentum.
